*If you have any questions regarding special items, please contact the Environmental Department at (410) 297-4259	

Bulk Pickup Call Instructions

1. Determine if the items are truly bulk.
2. Only items in categories A and B require special bulk pick up by appointment.
3. You may schedule an appointment for pick up by calling (410)297-4259.
4. Category C can go with regular trash.
5. Category A items are picked up on Friday by appointment.
6. Category B items are picked up on Friday by appointment.
7. If the amount of goods requested for pick up sounds excessive, residents are limited to no more than 4 large items. (Washer, dryer, fridge, sofa), numerous small items are ok.
8. Have items at curb no later than 6 am on collection day.

Construction Debris

Please be advised: The City of Aberdeen will no longer accept construction debris including, but not limited to, sheet rock, cabinets, wooden doors, lumber, roofing shingles, etc. If you are unsure whether your item is considered construction, please contact us at (410) 297-4259 for further assistance.
